ORDER RE: PARENTING TIME AND RESTRICTIONS

Father has contacted the Court stating that he volunteers at his children's school and asking if the Court's current order requiring that his contact with the children be supervised applies during times when he is volunteering at his children's school. This is the first time the Court has learned that Father is volunteering at the children's school.

IT IS ORDERED that Father shall not volunteer to participate in school activities of any kind until further order of the Court. All of Father's contact with the children shall be supervised. The supervisor may be by any responsible adult agreed to by both Mother and Father; for example, Mother may be the supervisor if both Mother and Father agree, or another member of either Mother's family or Father's family who is approved by both Mother and Father may do the supervision. Alternatively, Father may hire a professional supervisor; if Father hires a professional supervisor, Father shall pay all associated expenses out of his own pocket.
